DETAILED ACTION

Response to Amendment

1. The amendment filed on 07/13/10 has been made of record and entered. Claims 1 & 6-7 have been amended.

Claims 1-19 are currently pending in this application for examination.

Status of Withdrawn Claim(s)

2. Claims 11-19 were previously withdrawn from further consideration; however, they have now been rejoined with the elected product claims, which are now found allowable.

Claim Rejections - 35 USC § 112 (Second Paragraph)

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 7 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

There is a lack of sufficient antecedent basis for the limitation on “a palladium concentration...” in the claim because claim 7 is depending upon claim 6 and claim 6 does not mention anything about “palladium”. Thus, the rejection is maintained.

Response to Applicants' Arguments

4. The remarks filed on 07/13/10 have been fully considered, but not deemed persuasive in view of the following reason(s).

It would appear that the amendment to claim 7 is still not clear. See above.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Conclusion

6. Claims 1-19 are pending. Claim 7 is rejected. Claims 1-6 & 8-19 are allowed.
